"Be The Example That Other's Will Follow"

### Greetings From The East

Greetings Brethren,

I want to take this opportunity to thank all of you for intrusting me with the management of our Lodge. I know from time to time I may be a jokester. I assure you that when it comes to the handling of our affairs I will do so in a fair, efficient and serious manor.

In the six or so years of being at Hay Market Lodge I have had the opportunity to meet some very interesting people and establish what I would consider some very deep friendships. During this time I have also had the unfortunate opportunity to not meet several of the members who reside within traveling distance to the Lodge. There are still others who I have met but have not seen lately.

The purpose of this communication is to hopefully encourage you to attend Lodge and also provide you with the means to do so; i.e admonish you of your error and aid your reformation.

I realize that we live in a very busy time with family and work needs taking up most of our time; with family time of course being the most important of all. I am also aware that that some have other interests that conflict with our Monday night meeting. However, over the past three years the Officers of your Lodge have made a conscience effort to not only plan events on days that are not Mondays but also to organize functions that you can bring your family to. In spite of all these efforts we have failed to inspire some of you to drive the short distance to support your Lodge.

Attached to this letter you will find a calendar for the upcoming year. In this calendar you will find most of the events that we have planned for the year. As in years past, several of these events will be opened to family and friends. An example of this would be the dinner that is served before every meeting. You are always welcome to bring your wife; children or anyone whom you feel might be interested in joining your fraternity.

There are a few events that are not yet finalized and will be added to the calendar in time. There is also a new web site that will be launched in a few weeks and on it will be a calendar as well. This calendar will not only allow you to see what is occurring at the Lodge but also what is happening throughout the District. I know from speaking with the Master's in the District that they too will be sponsoring many family orientated events as well.

# Notes From The Secretaries Pad

Greetings Brethren,

I am sure I am not the first but I did want to be on the list of those who wish you Happy New Year. If 2010 is as good a year for Hay Market Lodge as 2009 was, Brethren we are in for a great year. At our December Stated we elected and installed the Officers for 2010 and for those who could not attend, the names of those elected to serve the Lodge in the coming year are in the Trestleboard. I offer my congratulation to all of those who were elected and appointed and offer a special welcome to Brothers Perry and Feltmann who will be serving our Lodge as Senior and Junior Deacons.

Although the December meeting ran a little longer than usual, it was well attended and our Brethren from Henry and Herndon Lodge were recognized as having made a Fraternal Visit.

The WM recognized several Brethren with Certificates of Appreciation from our Grand Master for their contribution of time and energy to the Lodge this past year.

So my Brethren, the course is set for 2010 and we are off and running. You will note from the calendar that the WM has scheduled a Master Mason Degree for January 4th. I encourage as many of you as possible to come out and make this Brother feel proud that he is a Master Mason.

At the January Stated we will be voting on 2 Petitions and 2 Applications for Membership. I also anticipate we will have a Petition for the first reading. The WM will be sharing his plans for the coming year and I encourage all who can to join me in welcoming the WM to his first month in the East with a capacity crowd on the sidelines.

I cannot end my message Brethren without a short business note. While a number of you have already paid your dues, there are still a number who have not yet remitted dues for 2010 and there are 4 members who have not remitted dues for 2009. If you have not yet remitted your dues and need assistance, please contact the WM or myself and let us know what we can do to assist you.

As always my Brethren, I offer my best wishes to you and your family and I look forward to seeing you in Lodge this year as often as your schedule will permit.

Fraternally,  
Bill Hershey, PDDGM  
Secretary

*Greetings From The East, Continued From Page 1*

As in past years there will be some events, usually prior to the meeting, that will be open to the public and you are encouraged to invite family and friends to these events. I ask that you take out your day planner and sit down with this calendar and choose four functions throughout the year that you are going to commit to attend. If you are too busy on Monday nights then come with us to pay a fraternal visit to one of the Lodges in the District. If you cannot stay out past 7:30 p.m. during the week then come join us for dinner. If you absolutely cannot do anything during the week for the entire year then join us on one of our weekend trips that we are planning. For example, we will be traveling the weekend of the 20th of August to Kingston, TN. That Friday night we will attend Lodge and observe an E.A. degree put on by a Lodge from Canada. That Saturday night we again attend Lodge, but, this time the Lodge will be held inside a cave and a civil war degree team will perform the Master Mason's degree, dressed in civil war attire. If you are busy all 365 days of next year and cannot attend a signal function, then you have my condolences.

For those of you who have sons or grandsons in the Lodge I ask that you sit down with them and plan together which events you will be attending together.

For those of you who have fathers or grandfathers in the Lodge I ask that you do the same. The remaining years you have with them may not be as many as you expect. Take this opportunity to share in some special memories. You will never be able to forget your regrets, likewise you will also never be able to forget remembrances of good times spend with those you love.

As you may have figured out, communication is my goal for this year. In fact I guess you might call it my theme. In addition to receiving this via the Trestleboard those of you who live within driving distance to the Lodge will be receiving it through the mail. In addition to receiving Lodge information through the Trestleboard, calendar, e-mail and phone calls. Don't be surprised if a couple of brothers come a knocking on your door.

As communication is my theme, I ask that if have any new contact information or you change your contact information that let the Secretary know as soon as possible. Over the course of the last year I have sent out several e-mails to the members of the Lodge. If you have never received one then I do not have your e-mail address. If this applies to you please send me an e-mail so we may stay in touch.

Fraternally,  
Bruce Silvernale, Worshipful Master
