Worshipful Master's Theme

"Be The Example That Other's Will Follow"

Greetings From The East

Brethren,

The month of May as proved to be a continuation of the previous months at Hay Market Lodge. At our stated meeting we had an informative talk concerning the history of Chapman Mill. This was the first of a series of talks I have planed concerning the mill and its importance to the area while it was in operation. The next two talks will be delivered at the July and August stated meetings. The July talk will concentrated on the importance of the mill during the civil war. These talks are open to the public and I encourage you all to come with your family and friends. We were also honored to have our meal provided by a lady who was raising money for the Leukemia and Lymphoma Society. The lodge was able to provide a donation of over \$1,700 for her to put towards her fund raising goal. The lodge also donated \$1,000 to the Turn the Mill Around Fund which is raising money to save and expand the Chapman Mill.

Our fund raising endeavors will continue on May 30th when we will have our annual fund raiser breakfast for Brittany Leap. This event coincides with the Ride to the Wall event which honors those who served in Vietnam. The breakfast will begin around 0630 and end around 0900. This fund raiser is open to all and I would encourage you to bring your family and friends and help us to help those less fortunate.

At the stated in June we will have our Past Master's Night. I have made arraignments to have the meal catered by a barbecue company who will prepare and cook the meal on site. For this reason I ask that if you plan on attending, that you let the Secretary know so we can have the appropriate about of food on hand. The week will end with our annual Ladies Night celebration on the 18th. This event will be held at Giuseppe's Italian Restaurant in town and will feature musical entertainment by barbershop quartet. The registration forms for this event are forth coming. The final event for June will be our official visit on the 21st to Herndon Lodge and I will need head count for this visit so the Stewards of Herndon Lodge will know how much food to prepare.

In closing I would like to thank all of you who have volunteered your time throughout this busy year to help make this Lodge a success.

Fraternally,
Bruce Silvernale WM

Notes From The Secretaries Pad

Greetings Brethren,

The month of May is now behind us and with it, another active and productive month for Hay Market Lodge. Thanks to the hard work of our L. E. O., Wor. Bill Johnson and our dedicated Catechism Coaches we were able to confer two Fellowcraft Degrees in the Month of May on Bro. Doug Collins and Bro. Fred Manfra. Both of these Brethren are working on their Fellowcraft Catechisms and should soon be ready to stand proficiency and receive their Master Mason Degree in the very near future. Congratulations to both Brethren on this achievement.

There were several other events of note during the month of May to include the Annual Ride To The Wall as was so aptly organized by Bro. Jerry Hampton our Junior Warden. There are photos of this event on the Lodge website and I encourage you to visit the website for more information on this event.

Shifting gears for a moment, June will mark Past Master's Night and with it the Annual Fraternal Visit of our Brothers from Montgomery Cornerstone Lodge in Rockville Maryland. We have also invited the Brethren of Midland Lodge 238, PHA, in Catlett Virginia and look forward to seeing them again. The June Stated will be preceded by a sumptuous offering of Bar-B-Que Pork, Chicken and all the trimmings. If you are planning to come for the meal, you are encouraged to contact one of the Stewards and make a reservation. We are hoping to fill the Lodge and want to be sure there is food for everyone.

As you can see from the Master's Message and the Events Calendar the Lodge is active with visits around the state and in the District. I encourage you to come out and enjoy earning your Master's Wages.

As always my Brethren, I offer my best wishes to you and your family and I look forward to seeing you in Lodge this year as often as your schedule will permit.

Fraternally,
Bill Hershey, PDDGM
Secretary

"We will cherish their memory in our hearts"

Ben Franklin and the 21st Century ?

Back in the 18th Century, our good Brother Ben Franklin was a successful businessman, writer and scientist. Based on his own writings and his contemporaries, he clearly enjoyed exploring and investigating the world around him. When the fires of freedom began to smolder, Bro. Franklin joined with other like-minded men to rise up against what he considered unfair treatment. In doing so, Franklin risked his fortune, honor and life in the name of liberty.

At the time, the light of Freemasonry was ablaze with the thoughts of free-thinking men who used the freedom of the Lodge to gather, converse and ferment the ideals that govern our nation today. With his intellect, wisdom and courage, Franklin stoked the fires of liberty and individual freedom in opposition to the Crown.

In the service of his young nation, Bro. Franklin represented our country for years in Paris and traveling in Europe where Freemasonry and liberty was spreading. Trusted by the new Congress, Franklin worked to secure help, funds and respect for this new experiment in government by the people. In his daily conduct, our Brother lived the values of Freemasonry and provided inspiration for many others to join the fight for liberty.

More than two centuries later, we find ourselves in a very different world than that of Franklin's time. Vast but smaller. Our world is connected with instantaneous communication to almost everywhere. Pressures of all kinds confront us daily: finance, health care, education, environment and more. What if Bro. Franklin walked in on us today? What would he think? What would he do?

Would he understand all that is happening? Perhaps not, but he would certainly understand people and their needs and desires. His wisdom and intelligence would guide him in his travels in the 21st Century. The lessons he learned in Lodge would serve him well even today. Truth, justice, charity, Brotherly Love...all still have great value in today's complex world. Franklin would still be our good Brother sharing his wisdom and leading us to live our Masonic values.
